TE ARAI VINEYARD

James and Annie Millton are artisan winegrowers specializing in dry farmed, single vineyard, estate grown and bottled wines since 1984. Their vineyards are situated in the Gisborne appellation on the North Island of New Zealand. Due to the location of the international dateline their vineyards are some of the first in the world to be blessed by the sun's energy each day.

This Chenin Blanc is developed from the old world traditional technique combined with the flavors found only in the South Pacific. Complex honey aromas with an off-dry flavor. Fermented in very special demi-muid French oak barrels.
